

Quarterly Newsletter: Winter

Thank you to everyone who supported the BMKCA winter social on 3rd February. It was a great evening, entertained by the talented Bennett Soul Band, a hog roast provided by Southborough Butchers and a dessert and cheese table prepared by the Association team.

Everyone contributed to the fund raising by buying tickets for the raffle and even bidding for Covent Garden Fruit Salad raising £1070!

Thank you to local businesses for supporting the raffle.

Below are some photos to re-live the event for those who attended and, for those who did not, to wet appetites for future events.

This is just the first of the Bennett & King Charles Association events. We really need some more willing helpers, so if you want find out more about how to get involved please sign up:
